

Image: Still from video footage taken by Robin Stott, a British doctor who was in Moscow as part of an international group of physicians campaigning for a nuclear freeze.

THURSDAY 28 MAY 1987

Mathias Rust, a nineteen year-old West German, flies a small Cessna aircraft unchallenged across Soviet territory and lands unexpectedly and to the bafflement of officials and bystanders in Red Square, Moscow.

Will someone stop you...?

A project by Emma Rushton
and Derek Tyman
